

## **JOB DESCRIPTION**

**Position Title:** Lead Audio Engineer  
**Reports To:** Pastor of Worship Arts

**Campus:** All  
**Status:** Full-time, Exempt

**Position Summary:** The Lead Audio Engineer is responsible for moving a large, multi-site, production ministry forward in a thriving (10,000+) church. The Lead Audio Engineer will facilitate the mission and vision of the church through the Production Team under the direction of the Pastor of Worship Arts. The Lead Audio Engineer is responsible for (but not limited to) the operation, maintenance, and upgrades of all live audio systems in multiple rooms across all campuses at Central. Additionally, this position will be responsible for the recruitment, scheduling, and training of all audio contractors and servant ministers in the production ministry at all sites.

**This position is connected to the faith and ministry of the church and moves forward the vision of Central Christian Church.**

### **Responsibilities:**

- Oversee live audio system maintenance and up in the main worship centers at all campuses.
- System simplification/integration in smaller worship spaces – Student/Elementary/presentation rooms.
- Physical repair of audio equipment – within the scope of current knowledge and ability.
- Computer maintenance and upgrade in all spaces – mainly Apple, some PC.
- Audio system design and implementation – upgrade and new spaces – as required.
- Production position support / coverage – as required.
- Oversee recruitment, scheduling, and training of all audio contractors and servant ministers at all sites.
- Support vision and direction of Central Christian Church and Creative Arts Team leadership.
- Participate in all-staff events at each level.
- Other duties as assigned.

### **Knowledge, Skills and Experience Required:**

- A personal walk with Jesus.
- Excellent written and communication skills.
- Organizational skills.
- Ability to work independently within scope of assignment. Manages time and prioritizes duties effectively.
- Ability to work cooperatively as a member of a team.
- Knowledge of A/V systems operation
- Ability to efficiently run and terminate various signal cables types
- Problem solving of A/V system issues
- Ability to train others on the proper operation of A/V systems
- Teachable as to the integration of new systems and operations – new methods
- Proficiency in Microsoft Office and Mac based programs.
- 

### **Role model in personal life:**

- Must align with the vision, and values of Central Christian Church and be committed to doing Central no harm.
- Growing in your personal relationship with Christ.
- Develop personal evangelism opportunities within and outside the Church.

### **Model biblical integrity in all things:**

- Adhere to and encompass the qualities and characteristics required of Central Christian Church employees, defined by the Employee Handbook.
- Financially support the vision of Central Christian Church by faithfully giving at least 10% of gross income.
- Be an active Owner at Central Christian Church, making every effort to uphold the six core values of Central.

**Physical Requirements:** While performing the duties of this job, the employee is occasionally required to stand, walk sit; use hands to finger handle, or feel objects, tools or controls; reach with hands and arms; climb stairs; balance; stoop, kneel, crouch or crawl; talk or hear; The employee must occasionally lift or move up to **twenty-five** pounds. Specific vision abilities required by the job include close vision, distance vision, color vision, peripheral vision, depth perception and the ability to adjust focus.
