

## JOB DESCRIPTION

**Position Title: Software Engineering Web Developer**

Reports To: I.T. Director

**Campus: Mesa**

**Status: Fulltime**

Schedule: Monday-Thursday and periodic remote support during worship services.

**Position Summary:** Develop C# (ASP.NET) custom components/plugins for Rock RMS to meet the needs of the church.

**This position is connected to the faith and ministry of the church and moves forward the vision of Central Christian Church.**

### **Knowledge, Skills and Experience Required:**

This position requires a person to be a self-starter, good communicator, personable, able to work independently and as a member of a team. You must demonstrate delivering quality code within very tight deadlines. You must be able to thrive in a fast-paced environment and learn new technologies quickly. You must place your relationship with God above all other things and your life should reflect this commitment.

- Have three years of experience with C# and the ASP.NET Framework.
- Strong SQL skills. Knowledge of SQL Server Management Studio is a plus.
- Experience with HTML, CSS and JavaScript
- Knowledge of REST, AJAX & JSON
- Have an attention to detail and a high bar for excellence.
- Steadfastly pushes self and others for results: Eager to learn and ability to learn systems quickly. Takes appropriate action when something needs to be done.
- Customer Focus – dedicated to meeting the expectations of the team members we work with daily.
- Interpersonal Skills – relates well to all kinds of people and builds effective relationships, communicates effectively both interpersonally and corporately.
- Self-Development – Committed to improvement, seeks constructive criticism.
- Knowledge of Internet concepts and the latest developments on the Web.
- Other duties as assigned

Desired, but not required.

- You have experience with ROCK CHMS
- You have experience with React.js or Vue.js
- You have taught SQL to someone with no prior SQL knowledge
- You dream about writing open source software
- ChMS (Church Management System) Experience

### **Role model in personal life:**

- Must align with the vision, and values of Central Christian Church and be committed to doing Central no harm.
- Growing in your personal relationship with Christ.
- Develop personal evangelism opportunities within and outside the Church.

### **Model biblical integrity in all things:**

- Adhere to and encompass the qualities and characteristics required of Central Christian Church employees, defined by the Staff Handbook.
- Financially support the vision of Central Christian Church by faithfully giving at least 10% of gross income.
- Be an active Owner at Central Christian Church, making every effort to uphold the six core values of Central.

**Physical Requirements:** While performing the duties of this job, the employee is occasionally required to stand, walk sit; use hands to finger handle, or feel objects, tools or controls; reach with hands and arms; climb stairs; balance; stoop, kneel, crouch or crawl; talk or hear;. The employee must occasionally lift or move up to **twenty-five** pounds. Specific vision abilities required by the job include close vision, distance vision, color vision, peripheral vision, depth perception and the ability to adjust focus.
